UPDATES

1. Maintenance

Kevin mentioned that there will be a need to restrap 10 lounge chairs and 4 regular chairs and 15 additional chairs are to be ordered in order to maintain 4 chairs to a table. Kevin is to contact the company to look into early ordering sales.

Umbrella by the pavilion has to be addressed. Kevin has been in contact with someone who may be able to help repair it as the company is outside the United States. An option of a sun sail may be an option for the big umbrella.

Kevin mentioned an electrician is in need to repair an outdoor light that has water in it and may require a bucket truck.

The ice cream freezer will need to be addressed and if needed to be removed, will be required to transport to a home for pick up as the county does not pick up at the club. Matt mentioned there were some trees in the parking lot with some tree limbs that needed to be addressed. Kevin will contact the company .

Matt mentioned the baby pool area fence has some sections that would need to be addressed.

Matt informed the board that pavilion boards under the gutters would need to be replaced and pillars repainted. Kevin is to look into the boards.
